

E. Entities not preparing financial reports

For each state public sector company, other than government owned corporations, the board of directors considers the requirements of the *Corporations Act 2001* and the company's constitution to determine whether financial statements need to be prepared. The board must revisit the assessment every 3 years or whenever a significant change occurs.

When entities are part of a larger group and are secured by a guarantee with other entities in that group (that they will cover their debts), the Australian Securities and Investments Commission allows them to not prepare a financial report. In addition, dormant or small companies that meet specific criteria under the *Corporations Act 2001* are not required to prepare financial statements.

If entities form part of a larger group that reports to the Australian Charities and Not-for-profits Commission, the commissioner may allow the group to jointly report under subsections 60–95(1) of the *Australian Charities and Not-for-profits Commission Act 2012*.

Accordingly, the Auditor-General will not issue audit opinions for the following controlled public sector entities for 2022, as they were not required to produce financial statements.

Figure E1
Entities not preparing financial reports

Public sector entity	Reason for not preparing financial statements
Controlled entities of Central Queensland University	
Australian International Campuses Pty Ltd	Non-reporting
Australian International Campuses Trust	Non-reporting
